

a Metro in Damascus Green Line

Get involved!

We would appreciate your participation! The Green Line will be one of the major infrastructure projects in the next few years. This project is a modern sustainable investment for the oldest capital of the world. Please respond to this questionnaire, so that your comments and concerns about the project can be taken into account. Deposit this questionnaire in the dedicated box or send it by post (see address below). You can also send us this questionnaire by e-mail (see our website: <http://www.damascus-metro.com>).
