

a Metro in Damascus Green Line

Have your say!

We would appreciate your participation! The Green Line will be one of the major infrastructure projects in the next few years. This project is a modern sustainable investment for the oldest capital of the world. Please read the brochure and fill out this questionnaire, so that your comments can be taken into account. Deposit this questionnaire in the dedicated box or send it by post (see address below). You can also participate on the Green Line website: <http://www.damascus-metro.com>.

For each question please select one choice only.

Question 1: Imagine that you are using the metro to go from Sumaria to the city centre. Do you prefer travelling underground or outside? (The travel time and the price are the same in both cases)

- Underground It doesn't matter
